Each day you are in the library, you are required to summarize the research you completed on a notecard with the properly cited reference in MLA format on a notecard and turn it in. You will get these notecards back to use for your project, but they must be turned in before you leave the library on work days. Below explains the format I require for the research notecards. Each notecard is worth 15 points.

FRONT

NAME	DATE
SUMMARIZED RESEARCH – you will briefly, but completely summarize the research you were able to collect during your time in the library.
